

# All In Jackson Fund

On May 8, 2020, the Jackson County Office of Economic Development established the All In Jackson Fund in response to the COVID-19 crisis. Additional partners rallying to assist the fund include the Jackson County Chamber of Commerce, Cashiers Area Chamber of Commerce, Jackson County TDA, SCC and WCU Small Business Centers.

This program provides low-interest loans to severely impacted small businesses in Jackson County, helping them remain open until longer-term funding becomes available.

Mountain BizWorks is the administrator of the All In Jackson Fund, providing loan processing and underwriting services.
